NOTICE OF PROPOSED RULEMAKING

Adopted: August 25, 2004

Released: August 27, 2004

Comments Date: October 18, 2004

Reply comments Date: November 2, 2004

By the Assistant Chief, Audio Division:

1. The Audio Division has before it a petition for rule making by Dana J. Puopolo ("Puopolo"), proposing the allotment of Channel 297A at Nevada City, California. Puopolo states that he, "or an entity with which he is affiliated" intends to apply for the proposed allotment if it is assigned to Nevada City as proposed. We request that Puopolo state an unequivocal intention to apply for the proposed allotment.

2. We believe the proposal warrants consideration because the proposed allotment could provide a first FM commercial broadcast service¹ to the community of Nevada City. Puopolo states that Nevada City is incorporated with a 2000 U.S. Census population of 3,001 people. A staff engineering analysis indicates that Channel 297A can be allotted to Nevada City consistent with the minimum distance separation requirements of the Commission's Rules with a site restriction 4.5 kilometers (2.8 miles) north of the community at coordinates 39-18-00 NL and 121-00-00 WL.

3. In view of the fact that the proposed allotment could provide a first FM commercial broadcast service to Nevada City, the Commission believes it would serve the public interest to solicit comments on the proposal to allot Channel 297A to Nevada City. Therefore, we will seek comment on the proposed amendment to the FM Table of Allotments, Section 73.202(b),² with respect to Nevada City, California:

	Channel No.	
Community	Present	Proposed
Nevada City, California	----	297A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached *Appendix* and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the *Appendix* before a channel will be allotted.

5. Pursuant to Sections 1.415 and 1.419,³ interested parties may file comments on or before

² 47 C.F.R. § 73.202(b).

2. Showings Required. Comments are invited on the proposal(s) discussed in the *Notice of Proposed Rule Making* to which this *Appendix* is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding:

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments (*see* 47 C.F.R. Section 1.420(d).)

(b) Petitions for rule making which conflict with the proposals in this *Notice* will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; service. Pursuant to applicable procedures set out in 47 C.F.R. Sections 1.415 and 1.420, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this *Appendix* is attached. All submissions by parties to this proceeding or by persons acting on behalf of such parties must be made in written comments, reply comments, or other appropriate pleadings. The person filing the comments shall serve comments on the petitioners. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. A certificate of service shall accompany such comments and reply comments (*see* 47 C.F.R. Section 1.420(a), (b) and (c).) Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554.

5. Number of Copies. In accordance with the provisions of 47 C.F.R. Section 1.420, an original and four copies of all comments, reply comments, pleadings, briefs, or other documents shall be furnished the Commission.

6. Public Inspection of Filings. All filings made in this proceeding will be available for examination by interested parties during regular business hours in the Commission's Reference Information Center, at its headquarters, 445 12th Street, S.W., Washington, D.C.
